THEMED REFRESHMENT BREAKS

Cranberry Blast

Add zest to your refreshment break with Muskoka's favourite fruit.

We combine the tangy flavour of cranberries with your beverages and baked goods to perk up your taste buds and your meeting!

A selection of cranberry juice blends such as apple, grape, lemonade and raspberry. Cranberry banana & cranberry lemon breads, oatmeal cranberry cookies and raisins mixed in with nuts and seeds perfectly compliment the unique beverages.

Old Fashioned Soda Fountain

Floats & Sundaes and so much more! Create your own unique treat with ice cream and frozen yogurt. Smother your choice in chocolate chips, smarties, sprinkles, mint or butterscotch chips and top it all off with whipped cream or flavoured syrups or both! You can also add chunks of cookie, brownie or bananas to your creation to make a special sundae. An assortment of pop will be on hand for frothy floats.

Citrus Splash

Orange juice, grapefruit juice and lemonade will rejuvenate you for the rest of your meeting. Sample orange or grapefruit sections, fruit salad or grab a slice of either lemon pound cake, citrus bran loaf or lemon poppyseed cake. Add a splash of fun to your day!
